## The Dimmer View

By MAX GOODWIN

Things are looking up for some of us who oppose high taxes and governmental waste. A flurry of letters from Washington this week reassured me that there are forces at work which are as equally determined that the waste and costs shall be reduced.

Jim Utt, our cost-conscious congressman wrote me that his committee (Interior and Insular Affairs) has worked out a bill that will put much unused Defense Department property back on the tax rolls.

In 1937, he says, the Defense Department had 3 million acres of real property for all defense purposes. Today they have 30 million acres, and are trying for ten million more.

Thirty acres would be equal to a strip 164 miles wide running all the way from New York to San Francisco.

46% of the State of California is owned by the Federal government. The Defense Department owns 3 million California acres, or 5%. They are trying for two million more acres or 7½% of the state's total area.

Congressman Utt says his Committee wants to put a stop to this land grabbing so his bill asks that public lands be used for military purposes must be approved by Congress if the withdrawal is 5,000 acres or more. He complains further that many military reservations are treated as private game preserves of local commanding officers and high ranking visitors from the Pentagon.

By such grab-and-waste methods, your taxes cost more.

## WON OWN CONTEST

Richmond, Va. (Spcl.)—Two photographers, Harold Speedy, Jr., of the Radford News-Journal, and Press Rowe of the Fredericksburg Free Lance Star, were assigned to make pictures of the winners of safe-driving contests. Both entered the contests and both won.

### PENNY SALES TAX HOPES GO AGLIMMERING

A ruling by the board informed the Chamber of Commerce of Vista that County Sales Tax revenues collected in Vista cannot be allocated for any specific use in the area.

The Supervisors gave the Vista Chamber of Commerce a legal opinion by District Attorney Keller stating that "state law provides for no specific allocation of sales-tax funds. The law says revenues from the sales tax, as with all other county revenues, must go into the county general fund and cannot be given to private persons or organizations."

This here ruling is gonna be a severe blow to many others besides the Vista Chamber of Commerce. Right here in Lemon Grove we find a couple of groups with high expectations for some \$60,000 collected for the 1c increase in sales tax collected in unincorporated areas.

The Supervisors will make

### THEO'S SHOES CLOSES DOORS

Theo's Cancellation Shoes, 7941 Broadway, became a business casualty in Lemon Grove this week when the store failed to open for business Monday.

John Thio, the firm's owner could not be reached for comment. A sign on the door read "Executed general assignment for benefit of creditors, S. D. Wholesale Credit Association."

W. F. Alderson, manager of the adjustment department of the Wholesale Credit firm said that the sign meant that his firm was liquidating the shoe firm and creditors would be paid from the sale of any assets. He did not estimate the amount of the liabilities nor the extent of the assets.

The firm opened in Lemon Grove in October. Both Mr. and Mrs. Thio suffered illness during the early part of the year.

### Broadway-Sweetwater Auto Shop Burns

A spark from a switch on the motor of an electric auto parts cleaner filled with gasoline was reported to be the cause of a spectacular blaze and a series of minor explosions which gutted Fred's Auto Shop, 8179 Broadway Valley.

No one was injured in the blaze although Fireman Bernard Griggs injured his hand when he fell running a line to the blaze. The firm is owned by Fred Scheneman, 8003 Darryl Street, Lemon Grove.

All of Scheneman's tools and equipment were lost, as was a 1950 Cadillac in the shop registered to Don Smith of Spring Valley.

Loss is estimated at \$30,000.00.

Call was placed by Ronald Webb of Spring Valley, who worked for Scheneman. He called La Mesa Fire Department by way of telephone "information."

The call was relayed to Lemon Grove. The department responded at 11:05 a.m. and the flame was brought under immediate control by the firemen.

Lemon Grove School trustees affixed their signatures to a foot-high stack of contracts Monday night and work commenced this week on the new ten classroom, \$347,000, junior high school on Palm Avenue as a result. The building will also include a multi-purpose room, a principal's office, a home economics room and a general shop classroom.

The district, according to Byron Netzeley, superintendent, will go on double sessions when school starts this fall but will go back to single sessions when the Palm Avenue school is completed later that year.

In other board action tentative plans were discussed for a \$250,000 bond issue for this fall when the 16 classroom, \$400,000 San Altos elementary school is to be started. The district has already been allotted \$167,000 federal funds for the project. The difference will come from a local

bond issue. Netzeley said the bonds will not increase the present school tax rate.

Paul Stierenburg, a La Mesa CPA was named auditor for the district for 1956-57 and Louis Poluzzi was named teaching principal for the district's summer school. This project will be for students who will be in grades 4, 5 and 6 next September, and will run from June 24 to August 2. Estimated budget is \$3,450. The total amount will be reimbursed to the district by the state.

Other items which the board heard were: Reports of filing of condemnation proceedings on the Morse property on which another school is to be built, and the decision of the Recreation Commission to outline a program on which they would apply to the board of supervisors for \$60,000 sales tax money.

In another preliminary look at the preliminary budget (\$1,222,000) for the coming school year, board members asked teachers' representatives to "take another look" at the tentative salary proposals. Suggested minimums were set at \$4,400. Present minimums are \$3,900. The board indicated that \$4,200 minimums would give them something more realistic to negotiate on.

### Boosters To Meet On Earlier Closing Hours

The Lemon Grove Boosters Club have called a special meeting for Tuesday at Michael's to consider three items. They are: 1.) Changing closing hours for retail establishments to 5:30 p.m. except Friday during school vacation period; 2.) a promotion tie to the opening of Skyline Drive to Broadway and 3.) a community-wide fashion show.

The meeting will be open to all business and professional people. Non members are asked to participate. A membership drive will be launched following the Tuesday meeting.

### Little League Play Starts Sunday

"Play ball" will be the order of the day Sunday, at the new Little League Ball Park, where a baseball carnival beginning at 1:30 will open the first official baseball season for the Lemon Grove Little League.

Mt. Vernon and Washington will be the scene of high activity as six major league teams and six minor league teams each play a two-inning game, decked out in bright new uniforms.

Even the concession stand will be open for business, selling pop and hot dogs. Little League decals and some team pictures will also be available at \$1.00 each.

The ball field, complete with outfield fences, back stop, bleachers, scorekeepers' den and concession stand, and sporting a fresh coat of bright green paint, was turned over to the Little League by the Lions Club on Sunday, April 14th. The ceremony preceded the historic Kiwanis Lions ball game, which the Kiwanis won, incidentally, by a score of 18 to 8. (It was not "incidentally." It was by superior play! The Editor.)

Ordinarily ball games will not be held on Sunday, as the schedule calls for games from Tuesday through Friday at 5:30, with a double-header on Saturday mornings at 9:00 a.m. and another double-header Saturday afternoons at 2:30. Games will also be scheduled at the same time at the Lemon Grove Junior High ball field.

### Grove Theatre Sets Teen Age Night, Grand Opening For Next Week

The Grove Theatre starts a seven day a week schedule this week it was announced by Don Dunham, new theatre operator.

The remodeling is now complete and will be when the Grove holds its grand opening next Wednesday and Thursday.

Grand opening feature will be "Tea and Symphony" a famed comedy drama.

Friday night will be the first in a series of Teen-age nights. Picture will be "Shake, Rattle and Roll, with Fats Domino, and "It Conquered the World."

Saturday at the morning and matinee shows (10 a.m. and 2 p.m.) pictures will be "Atomic Kid" and "It Conquered the World" plus cartoons.

Commencing Sunday at 1 p.m. continuous and starting at 6:30 p.m. on Monday and Tuesday, "Friendly Persuasion" with Gary Cooper will be screened.

### Welfare Ward Infant Dies In Grove Home

Theresa Mello, 11 month old ward of Mr. and Mrs. J. D. Pipes, 2341 El Prado, died April 18, in the county hospital. She was buried Tuesday at Mt. Hope Holy Cross Cemetery. Services were conducted by Conrad Mortuary.

### 10c A Snip?

### Haircuts Go Up To \$1.75 May 1st

There are no more two-bit hair cuts. You can't even get one for a buck and two bits... not even if you're a kid... after May 1.

Union barbers of San Diego County, including those in Lemon Grove and Spring Valley have agreed their haircutting rates to \$1.75 for adults and \$1.50 for children. Until May 1st, rates will be \$1.50 and \$1.25. New rate figures about 10c a whack.

To make the situation even more painful, children will have to pay \$1.75 on Saturdays, the same as grownups.

Minor surgery in some local hospitals by a qualified doctor is only slightly more expensive in some cases.

### GRANGEVILLE HIGH CLASS OF '06

GRADUATES — When the Grangeville, Idaho high school class of 1906 graduated that day, few of its members thought they would be meeting again 51 years later in Lemon Grove. They did meet though. Last week they convened at the home of Mrs. A. P. Schnell, 8338 Golden Avenue. Mrs. Schnell had a reunion and dinner Tuesday and a tea Wednesday afternoon at which they received members of the L.G. Woman's Club, of which Mrs. Schnell is a member, and other friends.

An interesting item is that 12 students graduated in that class; five of them were men. There are presently 8 survivors, all of them women. Professor Hartzell (Cobb, of Nampa, Idaho, who is now 90, is still living but couldn't come to the reunion. Only two of the schoolmates couldn't attend. They live in Portland, Oregon and Goodrich, Michigan.

Those who could attend are pictured above. They are: Mrs. J. M. Duffy, Modesto, California; M. O. Cowling, Caldwell, Idaho; J. H. Taylor, Santa Ana, Calif.; A. P. Schnell; E. D. Prowse, Wildomar, Calif., and E. H. Lincoln, Santa Cruz. Not pictured are visiting husbands Taylor and Duffy. Another reunion is planned for '58.

### Cancer Workers On House-To-House Mission This Week

Approximately 200 workers, the fund, 40% of all the funds all acquired through the telephone efforts of the Lemon Grove Woman's Club and the Woman's Club Viques, will go house to house this week (Thursday 7 to 9 p.m.) to solicit funds for the San Diego County Cancer Crusade, according to Mrs. Fred Scheneman, Woman's Club president.

She said that the program had been set up by Chuck Ayars, area chairman of the drive and the solicitation would encompass all of Lemon Grove and Spring Valley. Helix High School students, she said, had offered to fill in areas not covered. Lemon Grove Rainbow Girls have volunteered to work Spring Valley "alone" where needed, she added.

Ayars said that county-wide house-to-house solicitations are expected to acquire \$142,315 for cancer research and treatment.

FLOOD—Residents of Costa Bella Street were greeted with a Spring freshet Friday when the new water tank at the top of Windsor Hills overflowed.

Irrigation district spokesmen said that the tank was being tested; filled too quickly, ran over. Workmen at the site had difficulty locating a turn-off key. The key was found, the previous liquid turned off, the tank was tested, the water was pumped back into the system, and all returns quiet on the hill. The tank had but one tiny leak which has since been plugged and the tank will be painted inside and out and put into permanent service.

LANDMARK — Last week a Lemon Grove landmark was burned to the ground, but it was intentional. House, which was built in 1913, was located at the corner of Roy and Kempf. It was set ablaze by Lemon Grove fire department after new owner Kenneth Schnell, offered it to the department for fire training purposes. The five-room house was termite ridden and dilapidated. It had been occupied for many years by the widow Mitchell. A duplex will be built on the site. In the photo Chief "Pappy" Hendley (white shirt) holds a cigarette which was lit by the match tossed into the house which set the conflagration going, a dramatic lesson in fire safety.

### Pot Luck For Begonia Group

San Miguel Begonia society will meet Wednesday, May 1st, at 6:30 for a pot-luck dinner in the Youth Center hall on School Lane, Lemon Grove.

Ray Purtee, president, will conduct the business meeting, and Mrs. J. W. Lowry, vice-president, will present Frank Quintana, chemist of La Jolla, who will discuss Philadelphians and other patio plants.

Miss Bernice Brahmner, of Chula Vista, installed the 1957-58 panel of officers at the April meeting: Ray Purtee, president, Mrs. J. W. Lowry, vice-president, Mrs. Ida Barker, secretary, Mrs. Emma Stack, treasurer, Mrs. Pearl Hagel and Charles Williams, directors and Mrs. Margaret Lee, national representative.

### Lounge Room Planned For Local Realtors

Joseph Feldman, operator of the Midwest Escrow Company at 3290 Main Street, said he was opening of lounge for social and educational purposes for members of the real estate profession. Among the features will be a library and other work tools.

He said his firm would sponsor a community publicity project in the near future which involves a lemon rolling contest for children. Prizes will be given. He said that the county bakers will be requested to feature lemon rolls (eating type) at the same time. Dairies will be asked to feature lemon ice cream. Contest will be held at the site of the huge lemon at Main and Pacific.

Dates will be announced soon regarding the formal opening of the lounge of the lemon rolling contest.

### OPERA STAR NOW TEACHING

Maestro Giuseppe Inzerillo of 4030 Bancroft Drive, announces that he has opened up part of his home as a studio for voice teaching.

The Maestro, a former opera star, has appeared in many European and American cities in many of the top operas. After retiring from the stage several years ago, he went into the teaching field and has taught some of the leading vocalists of the day, including many motion picture stars. He is an expert on the science of voice.

## WASHINGTON SUMMARY

by ED KOTERBA

### HUMBLE PRESIDENT?

A survey among Washington newsmen shows that President Eisenhower's popularity last week reached the highest point since last Inauguration Day.

One reason given was Ike's return to an attitude of humbleness which had made him so popular the first four years in office. This was keenly apparent at his April 10 press conference.

### MCCARTHY SNUB

Capital gossipiers are saying that Mrs. Joe McCarthy was avoiding the facts when she said the reason she didn't attend Mamie Eisenhower's spring luncheon was because there was a "mixup" in her husband's office regarding the invitation.

They say it was just a retaliation for the snub Ike gave Joe and Mrs. McCarthy a few weeks before.

### SNIPER AT BENSON

Senator Lyndon Johnson, Texas Democrat, has sniped at Agriculture Secretary Ezra Benson by disclosing these price comparisons.

Since 1947, the first "peace-time year" after World War II—Tractors went up 40 percent in price, ten gallon milk cans up 70 percent, steel fence posts 48 percent and poultry netting up 54 percent.

At the same time, Johnson said, wheat dropped 25 percent, corn 45 percent, hogs 54 percent, eggs 30 percent, beef cattle 20 percent.

### KERR BLASTS IKE

The most scathing attack on President Eisenhower's speeding incident (some people won't let Ike forget it) came from Sen. Robert Kerr, Oklahoma Democrat.

Commenting on the President's statement that "I had no idea how fast we were going," Kerr said:

"It has often been apparent that the President 'has had no idea of what's going on...'"

### PREDICTIONS

There will be no increase in the interest rate on VA-guaranteed home loans during this session of Congress.

The present rate of 4 1/2 percent will remain at least until next year.

Most of the cuts made by the House of Representatives in the proposed 1958 federal budget will be restored by the Senate.

Latest guess is that the total reduction will be less than one billion dollars.

The sensational 5,500-mile intercontinental missile will be successfully launched late this fall.

Meanwhile, the 1,500-mile intermediate missile will be in use by late this summer.

President Eisenhower will land in his helicopter on a special landing field a few hundred yards from the super-secret underground Pentagon near Waynesboro, Pa., 40 air miles from the Capital—during the June "alert" test.

Although the Senate passed by 54 to 23 a bill that would allow the trading of surplus food for strategic materials with iron curtain countries, chances are it won't become law.

### CAPITAL BRIEFS: Widow Benefits

Three out of every five widows of veterans eligible for increased benefits under a law which went into effect last January have failed to apply for the extra money.

Drinking Law.

To combat juvenile delinquency, legislators will soon try to raise the drinking age limit from

18 to 21 years in all states of the Union.

### Red Cross Complaints

Here is an ironic complaint of Red Cross solicitors. Many people declined to contribute this year because they claimed they made heavy payments to Hungarian Refugee relief.

Postal Rates.

A recent nationwide poll of independent businessmen showed that 62 percent of the executives voted against an increase in the rate of first class mail.

Significantly, in a similar poll in 1953, only 57 percent were against it.

☆ Hart E. Van Riper, polio specialist:

"Man has denied the nation wide pattern of polio attack with respect to different age groups."

### Pay On Hole In Ground Caves In

Confusion worse confounded was discussed by the Board of Supervisors when a contractor's claim for payment on a well digging project at Viejas Honor Camp was presented for the second time for the Board's consideration.

The project was undertaken last year by Ralph Anderson of the R. E. Anderson and Well Pump Company. Anderson completed the well, brought in a good flow of pure mountain water for the boys to drink and use otherwise, but when Anderson the Well digger presented his bill for \$6,707.50 to the Board it was denied by Auditor J. C. Perrin's office because of a procedural error made by the County.

That made things uncomfortable for Anderson, who was advised by the Board to start suit against the County for payment. Instead, Anderson presented a second claim to the Supervisors for \$10,445.83. This bill included attorney's fees and

other charges. The Supervisors voted to allow Anderson \$6,707.50, but to deny the added charges.

Now the auditor must decide whether to make the payment of the original bill. If it is denied again, Anderson will be right back where he started and will have to go to court for a settlement.

Deputy County Counsel Bert McLees is not scared. A suit of this nature is right down his alley. "Ser, Sera." (Whatever will be will be) as the lately popular song has it.

## Beauty Shop, Real Estate Office In Move

W. J. "Bill" and Jean Parsons are moving.

Jean will move her beauty shop from 3311 Imperial Avenue where she conducted a beauty shop business for the past nine years to 7748 Dayton Avenue, near Olive Street.

Bill Parsons, her husband, who conducted a real estate business at the same address on Imperial will again share the Daytona Street address. The beauty shop will be a four booth affair, name of the place will remain the same, i.e., Lemon Grove Beauty Shop and Lemon Grove Realty.

The Parsons say there is plenty of free parking at the new address.

Move will be made on May 1st.

### Local Youth To Play Symphony In Brawley Friday

The Civic Youth Orchestra, a new 72 piece symphony of young musicians under the direction of Dan Lewis, will present a concert at Brawley Friday at 8:30 p.m. in the Palmer Auditorium.

Among those from the area who are taking part are: James Glazebrook, Dorothy Nicodemus, Kathy Pendergrass, Judy Koopmans, Kenneth Bullock, Donna Bullock, Jan Baxter, David Walerman and Paul Beighle, all from Lemon Grove.

From Spring Valley are: Peggy Reimers and Owen Elliott.

### Foreign Jobs Available Now

Young men and women, 21 to 35 years of age, single with no dependents, are being sought for the U.S. Foreign Service to fill positions as secretaries, stenographers, communications clerks, mail and pouch clerks and general clerks.

These jobs are available all over the world, in such fascinating places (it says in the propaganda) as Bangkok, Johannesburg, Buenos Aires, Istanbul and Stockholm.

Three years of general office experience or a substitution of education for no more than two years of experience is a requirement, as well as performance tests—50 words per minute in typing and 80 words per minute in shorthand for stenographers, 100 words per minute for secretaries. General clerks are required to type at the rate of 35 words per minute and communications clerks at 45 words per minute.

The starting salary for all positions is \$3390 a year (\$3800 per annum for secretaries), plus overseas allowance which range from 10 to 25 percent of the base salary. Government housing is provided or a housing allowance is given to all employees at their overseas posts. Assignments are made for two years, after which the employee is returned at Government expense for six weeks home leave. This leave is in addition to the 13 day vacation leave and 13 day sick leave given all employees at their posts.

Typist and stenographer positions in Washington, D.C. are open to anyone who is 18 years of age and who has a high school diploma. Typists begin at \$3175 per year; stenographers at \$3415 per year. All employees receive annual salary increases for satisfactory service, 13 days a year vacation leave, and 13 days a year sick leave.

Personnel Officers from Department of State headquarters in Washington, D.C. will interview job applicants for these jobs at the California State Employment Service Office, 525 South Flower Street, Los Angeles from April 22 through May 18th.

DR. BASIL MALONEY

Basil Maloney, MD, has established a medical office at 7610 Pacific Street in the location formerly occupied by Dr. Virginia Malcom, who recently moved to Lakeside. His practice will be limited to the specialty of obstetrics and gynecology.

Dr. Maloney was a general practitioner at La Moure, North Dakota for seven years prior to joining the Air Force. He was chief of obstetrics and gynecology at McConnell Air Force Base in Wichita, Kansas.

He studied medicine at the University of North Dakota at Grand Forks and Temple University at Philadelphia. He served his residency in obstetrics and gynecology at Mercy Hospital in San Diego.

He and his wife, Shirlee, are living presently in Rolando and are parents of five children of which three are girls.

Because the changeover came after the publication of the current issue of the telephone book, it should be noted that Dr. Maloney's office will have the number formerly assigned to Dr. Malcom. That number is HO 3-1423.

For the layman, an obstetrician delivers babies and a gynecologist treats diseases of women.

### HELIX TO HOLD OPEN HOUSE

Parents and friends of Helix High School will be welcomed to all departments Thursday evening, April 25th, from 7:30 to 9:15 p.m. in honor of Public Schools Week. All facilities will be open for inspection by the public, and teachers and students will be on hand to answer any questions.

A short meeting in the cafeteria will open the event. Refreshments will be sold by the Helix PTA during the evening at various spots on the campus.

## WINS AF AWARD

A/2C James Barrow, son of Mr. and Mrs. George Barrow, 2151 Eldora Street, selected to receive the 60th Air Force Rescue Squadron Man-of-the-Month award last month.

He was selected by a committee comprised of supervisors and maintenance officers who are his co-workers at the Itasca Air Force Base at Osaka, Japan.

The award was given "for performance on the job, excellent citizenship, and military bearing." The award was made by the base commander, Lt. Col. George Gaines, Jr.

A copy of the award becomes a part of his permanent military file. Barrow attended Helix High in 1954, enlisted in the Air Force in July 1955, served at Parks AFB and Keesler Field. He went overseas in September 1956.

### Lt. Smith Sneaks Visit Home While Ferrying Plane

Lt. (Jg) Wayne Smith, who with his family lives at 6739 Hibiscus when he isn't flying from a foreign base for the US Navy, was a visitor this week in Lemon Grove.

His assignment was the delivery of a plane to Corpus Christi, Texas, after which he was returning to Atsugi, near Yokohama by civilian airline but was "bounced" enroute so he applied for and got a couple of days leave to return to his "home town."

He said his wife, Louise, was looking forward to coming back next year when he becomes eligible for stateside duty. He has two children in Japanese schools, one in the 4th, one in the 7th grades.

## Square Dance News

Looking around the La Mesa Legion Hall when the Square Eighters held their "Internal Revenue Hard Times Dance," it was obvious which family had the largest income tax to pay.

Fun was had by all, dancing to the calls by Pete and Helen Mighetto. Thanks to Spencer Spencer and Fay Miller, for their calling and help.

The couple voted by the Heartland Federation, as doing the most for Square Dancing. Percy and Beale Cartledge, came for an evening of laughs, along with guests from Balboa Park, Diamond Square, Diamond Horse-shoe, Jewel Square, Silver Spurs and Clover Leaf Club.

On May 8th, Square Eighters are sponsoring a benefit dance for the Rainbow Twirlers to help send this group to the Convention in St. Louis in June. All proceeds for the dance will be donated.

## LEVIS & LACES

Winner of a poster contest to publicize a new beginner square dance class starting May 6th by the Levis and Laces was won by Georgiana Weeks. Judge was Don Staples. Prize was two free admission tickets to all Levis and Laces events for the remainder of the year.

Eddie Domini made his debut last week as a caller. A graduation party is planned for Wednesday, May 1st at the Woman's Club House.

## LEMON EIGHTERS

The Lemon Eights held their Second Anniversary Dance last Saturday evening at the Jr. High Cafeteria. Despite the Easter Eve storm, there was a good crowd of Square Dancers, come to wish the Lemon Eights well and to enjoy an evening of fine dances. Almost every club in the Heartland area was represented, either by dancers or guest callers.

Stan Bryan started the club's celebration at eight, with a good, lively call. Following him were some of the best callers we've ever heard, accompanied by the rapid rhythms of the H. & H. Tunewriters. Callers included Marian Ashton, Juan Frank, Rae Ann Riggs, Tom Ashton, Tom Montague, Bill Keller, Wally Riggs, Ron East, Frank Dyson, Al Rider, Jim Hutten, and of course, our own Janey and Lynda Bryan.

## Multi-dates Kill Jr. Hi PTA Meet

Cancellation of the regular meeting of the Lemon Grove Jr. High Parent-Teacher Association scheduled for April was announced by Mrs. Chas. Taylor, president, at a recent meeting of the executive board. This was necessary because of conflicting dates in the area.

There also was discussion of the flowers for students of the graduating class. Mrs. Bert Cooby, PTA health chairman, announced that county fair tickets will be on sale at the May meeting of the association and after that date will be available at the school office. These tickets will be sold at a great saving to the purchaser and at the same time benefit the San Diego Children's Dental Health Center as the unit's proceeds will be contributed to that organization.

Mrs. Cooby also announced plans for the next polo clinic to be at the Lemon Grove School. This has since taken place (April 20) and health chairmen from all schools took part in this project. Nearly 4,000 persons were accommodated. Boy Scout troop 309 handled the traffic and parking. Baby sitters were from Girl Scout Troops 502 and 554 and Camp Fire group Wo-shuki.

Members from the Lemon Grove Junior Woman's Club were on hand to serve sandwiches, cookies and coffee to the volunteers.

Any who were unable to avail themselves of this opportunity will have another chance in the near future at Chula Vista and National City.

## NEW DENTIST FINDS HOME

Dr. Dennis McLaughlin, who recently opened a dental office at 7614 Pacific Street has moved to Lemon Grove. He and his wife have rented a house at 7530 Roosevelt, a half block from the editor of this newspaper.

Welcome to Roosevelt Street, Doc.

### IT'S A JOKE, SON!

Russian leader speaks: "We have invented rock and roll, not those Americans. We hit the people over the heads with rocks and roll them down the cliffs."

### ALTAR ARRENTS

Congrats to... Sharon Stepick who will wed Grant Ballantine in a middle summer month... Helix senior Carole Upton became the happy bride of David Cypret two weeks ago... Helix alumna Carol Covert is now Mrs. Robert Press.

### GLITTERLAND GAB

Was visited by Lemon Grove's Cedric Jordan last week and had the pleasure of introducing him to Tony Perkins when we went to visit our buddy, Lemon Groves Dennis Hopper. Dennis and Tony share hobbies in modern painting... Rumor: Natalie and Marion... A few days ago my roommate and I dug the Hi-Los at the Crescendo on Sunset Strip. A little ole Lady approached us as we entered and probably thinking our dates were already inside tried to peddle us her gardenias by saying "pay her a flowery compliment." She succeeded!... and Bill Holden is the newest "bongo" fan!

### FOR CHICKS ONLY

If you gals in school clubs or in neighborhood gangs want to throw a "worthwhile" party, have everyone bring a toy that you wanted most when you were a kid and then donate it to the Red Cross, Community Chest or Salvation Army... and speaking of parties have you ever thrown a "Sock Hop," "Costume Party," "Pizza" or "Taco" parties, "Come-as-you-Are" party, or "Come-as-a-song-title" or "Come-as-what-you-want-to-be" party?... Chicks! Lament: He has looks, brains, money, everything—but my phone number!

### OOOL 'N CASUAL

Suggestion to Mt. Miguel High School organizers: Ever think of organizing a Student Congress instead of a Student Council? A Student Congress is made up of a representative and an alternate elected from EACH home classroom, the elected officers of the ASB and the Girls and Boys League presidents. The Congress could form the legislative body of Mt. Miguel with the ASB advisor being the faculty representative. This Student Congress set up works wonders in many other high schools and gives more of the school students a voice in their govt... What's all the fuss over the rock 'n roll raid at the Paramount theatre in New York? Our parents did likewise over Frank Sinatra at the same site in their day!... Congrats to Helix Hi's ace journalism staff for coping their third consecutive sweepstakes award at State College's annual prep journalism Day.

## Outdoorsmen Wanted In State Jobs

Men who prefer the outdoor life are being sought for year-round employment by the Department of Fish and Game. It was announced today. The State Personnel Board has set examinations for Fish and Game Assistants for June 1st.

Qualifications for the positions are broad: a year of full-time experience in fish and game conservation, park or forestry work, farming; stock or poultry raising; commercial fishing; or semi-skilled work in the mechanical or construction trades.

Two years of college with courses in biological sciences, fisheries management, wildlife conservation or similar fields may be substituted for the required experience.

The positions, which pay \$299 to \$358, are located throughout California.

Detailed information and official application forms are available at the Department of Employment office on Columbia Street in San Diego.

## Grover McMahon Back On The Job

Grover McMahon, 3039 Cypress, returned to Lemon Grove Friday after a month's stay in the Veteran's Hospital at Long Beach.

McMahon, an insurance man, is also an active Kiwanian.

## Jobs Needed For Teeners

Mrs. E. L. Kepner, 7415 Mt. Vernon, reported this week that she has a long list of boys' and girls' names who need work.

Mrs. Kepner has operated the local job-for-teens project here for the past two years. She said that weed pulling, window washing, grass cutting, baby sitting, car washing and the like can be handled by these youngsters who are anxious to go to work.

There will be more youthful workers listed as school vacation nears. A suitable worker can be supplied she says if you call her at HO 9-4330 after 6 p.m.

Mrs. Kepner provides this service for teenagers would be workers without charge.

## Concert To Aid Mt Miguel Project

WILLIAM A. SCHAEFFER  
Director of Bands  
University of Southern California

The Trojan Symphonic Band's April 29th concert at Hoover High School will be sponsored by the combined Music Parents Clubs of the Grossmont District.

Admission will be 50c and \$1.00; tickets may be obtained from any of the band or orchestra members in the district.

The band was "enthusiastically received" during last year's tour. One school principal reported our concert was "one of the most stimulating school assembly programs" of the year; another said it "was the highlight of our assembly programs... this year."

A music director wrote of the tour concert "this type of activity is most inspiring and instructive. We are eager to hear fine groups—as the Trojan Band."

William Schaeffer will conduct a program which will include several compositions and arrangements by SC students and faculty members.

Keith Brown, senior trombone major, will be soloist in Donal R. Michalsky's "Concertino in Re for Trombone and Band."

The program includes several marches; works of well-known modern composers will also be programmed.

Proceeds from this concert will go into the Mount Miguel Band Uniform Fund.

## It's Fun To Be Beautiful — Says Beauty

Take it from Pat Thompson, girls, the fairest of the Fair and Miss Con-Tour queen contest is more than a parade of beauties.

Pat can speak with authority. The blue-eyed, brown haired San Diego State College junior holds the dual crowns.

Although being named a finalist has its thrills, every contestant can, and should, gain something from competing. Poise and self-confidence, particularly, Pat said.

Lemon Grove's entry in the 12th annual Fairest of the Fair and Miss Con-Tour pageant will be selected Thursday, May 16 during the membership meeting of the Lions Club at Michael's.

Single girls between the ages of 17 through 22, who are bona-fide residents of Lemon Grove, are eligible to compete.

## Flannel Wanted For Blankets For Newborn Babies

Pieces of flannel of any size, are wanted for welfare use. It was announced by Mrs. Beatrice Morse, this week. The flannel will be made into blankets and distributed in Baja California to needy new Mexican mothers.

The flannel may be left in a box supplied for that purpose at the Lemon Grove Library, Mrs. Morse said.

## New Officers Installed Amid Food And Fun

By JEAN WOODY

A game dinner was enjoyed by almost seventy members and friends of the Lemon Grove Rod and Gun Club Saturday evening at Leewood Recreation Hall. The occasion marked the installation of the newly elected officers of this organization. Bob Seward M.C'd the ceremony, hilariously mingling threats and admonitions with his congratulations.

"I'm taking on a big job so successfully started by Tom Gobel, retiring president," said John Hault, "making this club one of the most beautiful rifle

ranges in Southern California is a real challenge."

Other officers installed were Jim Cundari, V.P.; Mildred Davis, Secy.; Nancy Seward, Treas.; and Randy Moore, Sgt. at Arms. The five directors are Raymond Pierce, Jake Ivy, A. J. Schrader, Bill Schater, and Bud Rehrig.

Tom Gobel of the Klickn-Bangers, said that twice winning the queen contest of the East San Diego County Fair has made this club one of the most solvent sports organizations in the county. They have almost completed a rifle and pistol range with picnic grounds and kitchen facilities on the McClain ranch east of El Cajon.

## CCPT OFFICERS TO MEET IN SD

Newly elected presidents of junior high and senior high PTAs in the Foothills Secondary Council of CCPT will hold a con-

vention meeting Monday at 9 a.m. at the First Presbyterian Church at Third and Date St. in San Diego.

Meeting will be held in the West Room. Mrs. Allen Hodges, district chairman is in charge.

## SV Chief Retires

CHIEF JONES

A career in the Navy that spanned over one-third of a century was brought to a close for a Spring Valley man when Chief Bontswain's Mate Julian A. Jones, 972 Brookside Circle retired this month after serving thirty-six years in the Navy.

Chief Jones, who was assigned to Flag Allowance, Commander Cruiser - Destroyer Force, U. S. Pacific Fleet, since 1950, was piped over the side of the USS DIXIE, the Force flagship, while his shipmates lined the decks to bid him farewell.

Chief Jones has Navy blood in his veins. His father served with the Navy during the Spanish-American War. His mother, Mrs. Ethel Montagna, of Norfolk, Va., was a Navy Yeomanette during the First World War.

In his long and varied career in the Navy, Chief Jones was boat coxswain for the commanding officer of the USS DALE, Lieutenant Commander William F. Halsey - who later gained fame as the colorful five star Fleet Admiral.

While serving aboard the cruiser USS CINCINNATI, Chief Jones was a member of the ship's Pistol Team. In charge of the team was Lieutenant Commander Robert B. Carney, the Gunner Officer - who later became Chief of Naval Operations.

Chief Jones also served aboard the USS UTAH, the USS CONCORD, the USS INDIANNA, the USS PREVAIL, the USS LLOYD THOMAS, and the USS PIEDMONT. As a member of the PREVAIL'S crew, he participated in the bloody invasions of Salerno, Sicily, and Anzio, Italy.

Prior to his retirement, Chief Jones was attached to the Personnel Office of the Cruiser Destroyer Force, handling the service-wide competitive examinations for advancement in rate for the Force.

Chief Jones is married, has a daughter, Mrs. Aethyle Keller of Snohomish, Wash., and three grandchildren.

☆ Arnold J. Toyne, British historian:

"When a man divorces his daily work from his religion, the results are invariably calamitous."

## Must Show Registration Certificate To Hiway Patrol Now

With completion of 1957 vehicle renewals, the Department of Motor Vehicles has notified traffic law enforcement agencies of the State that motorists now should be able to show evidence of current registration when stopped for any purpose on the public highways.

Motor Vehicles Director Paul Mason said in Sacramento: "Mail applications in 1957 reached us in unprecedented numbers on February 4, the deadline date, and during several days thereafter with February 4 postmarks. The processing of these last minute renewal applications is necessarily slower than in person applications over the counter. Most of the more complicated cases received in the mail have now been processed, and those few that are pending should have a receipt or other evidence that they have filed for renewal legally."

The evidence of 1957 registration consists of a reflectorized red sticker attached to the rear license plate, and a registration card for the current year. According to law, the card should be displayed in the driver's compartment in a position that may be seen from outside of the vehicle.

☆ You can predict the shape of your child's eyes and length of its eyelashes. If one of the parents has large eyes, one of the children will probably have the same. Unless both parents have slanting eyes, their children's eyes are not likely to have this shape, although it is likely to appear in the next generation. If one parent has long lashes, there is a good possibility that the child will also have them.

## THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Eight matters set for hearing were handled with neatness and dispatch by the Board of Supervisors. Civic Center was open and all County Departments and offices were working full blast and "Damn the Torpedoes!"

Time set 10:45 to consummate the lease to the Santa Fe Fire Protection District of one-half acre of surplus Edgemore land for a term of 25 years at an annual rental of \$10, for a fire station site.

At 11:00: Hearing on the application of Roger A. Wilkinson et al. for a zoning reclassification from A-4 (1) to E-2B of certain property within the Sweetwater Section. (The Planning Commission recommends approval for a portion of Lot 1 thereof, provided said ordinance of reclassification be adopted concurrently with the approval of the final map of the resubdivision of a portion of Rancho Hills, Unit 4, which is not ready.)

At 11:15: Hearing on the application of William Starr for a zoning reclassification from E-1 and A-4 (1) to E-1A of certain property within the Sweetwater Valley Section and Sunnyside Section. (The Planning Commission recommends approval, including adjacent parcels, provided the ordinance of reclassification is adopted concurrently with the approval of the final maps of Bonita Hills, Units 2 and 3. Tentative maps of said subdivisions are submitted for the Board's action. Petition of Geo. Stell et al. objecting to said proposed reclassification is also submitted.)

Hearing on requests for amendment of the zoning ordinance to change the building setback requirement in the Lemon Grove area on the west side of Citronella Street between Lincoln Street and Palm Ave.; on Montana Street between Imperial Avenue and Citronella Street; and on Imperial Avenue between Golden Avenue and the City of San Diego boundary. (The Planning Commission recommends approval that the building setback on Citronella between Lincoln and Palm be reduced from 75 feet to 47 1/2 feet from the center line of Citronella.)

Continued hearing on the pe-

tion of Daniel O. Doran, et al. for the annexation of certain property to the Spring Valley Fire Protection District. (Boundary Commission to report on requests for exclusion; approved by the Board of Fire Commissioners of said District.)

## TAX MATTERS

Petition for church exemption on 1956-57 taxes by the First United Pentecostal Church of National City. (The Assessor reports that claims for exemption were not filed; County Counsel recommends that the request be granted pursuant to Chapter 4, of Statutes of 1957.)

Letter from Lieutenant John H. Fennehen, USN, Ret., of Spring Valley, enclosing copy of a column printed in the SPRING VALLEY BULLETIN; and inquiring as to the veracity of remarks in said column concerning veteran's exemptions, if said matter has been discussed at any Board meetings, and if there is any legislation pending which would restrict veteran's exemptions.

Letter from the Vista Chamber of Commerce stating that it has not yet had a reply to its inquiry of February 28 regarding the Board's policy concerning the use of tax funds in the community, which inquiry was referred on March 12, 1957, No. 22, to County Counsel, for reply, thereon stating that there is no provision in the law for the specific allocation of tax funds to any use or area and, in the absence of such provision, such proceeds would become a part of the County's general fund for expenditures as are other tax proceeds and could not be given to private persons in the absence of a contract with them for services within the scope of the County's functions or in the absence of a statute specifically authorizing such payments for public purposes.

## DEPARTMENTAL MATTERS

Letter from the Julian Chamber of Commerce inquiring as to whether or not the Board would be willing, if a suitable building were made available, to place some of the County branch offices in that area.

Letter from the Chief Administrative Officer stating that the recent order of the Postmaster General regarding the discontinuance of third class mailings by the postoffice effective midnight April 28, will increase the expenses of the Registrar of Voters approximately \$7,000.00 during the balance of the fiscal year, which amount will be returned by the various districts whose election mailings are made, and will increase the cost to the County of mail handled through the County mail room by an estimated \$350 a month.

## PENDING MATTERS

Recommendation of the County Librarian for the acquisition of a site on the south side of Broadway in Lemon Grove for the Lemon Grove Library. (County Counsel to submit an opinion as to whether or not the land deeded to the County by A. F. Sunka could be used for a branch library; the Planning Commission and the Road Department to report on whether street widening would be involved, and if so when it is to be done; and Road Department to report its future plans for the Lemon Grove Road Station.)

Protest of O. L. Carpenter and Norman Lightfoot to the taking of their property for a right of way for Road Survey 802, Grove Street, Lemon Grove.

## Demos To Hear Israeli Warrior

A public address on a subject of crucial timeliness—the situation in the Middle East—will be presented on Wednesday, 8 p.m., in the Lemon Grove Junior High School Cafeteria, School Lane near Lincoln, under the sponsorship of the Lemon Grove Democratic Club. According to its president, Mrs. H. J. Warner, this is the first in a series of talks on subjects of general interest that will be sponsored by the group. A question and discussion period will follow the address. The public is cordially invited; no admission charge.

The speaker, Israel Dubner, is a native of Poland who emigrated to Israel in 1945 and took part in the Israeli war of 1948-49. He came to this country three years

## PUBLIC SCHOOLS WEEK AWARDS TO BE GIVEN SUNDAY

Lemon Grove Masonic Lodge Public Schools Week Awards Dinner will be held at 6 p.m. Sunday at the junior high school cafeteria.

Five youngsters of the five top grades will be awarded plaques for essays having to do with public schools.

Tickets for dinner at \$1.75. The affair is open to the public.

ago, and in the interim, has earned a Bachelor of Religious Education from Yeshiva University, New York; and is now a graduate student in political science at San Diego State College while serving as a cantor in the Beth Jacob Congregation of San Diego.

## JC's To Choose "Miss LG 1957"

The Lemon Grove Junior Chamber of Commerce will again sponsor a Miss Lemon Grove Contest and the winner will reign as representative of this community for a year.

A contest will be held at junior high school auditorium on June 1st but entries must be registered by May 25th.

Entry blanks may be obtained from Marx's, Evelyn Wigton's, Williams Department Store, The Record Den or the Highlander.

Entries must be accompanied by a photo of the contestant. The Jaycee group will supply a photographer.

Entry slips and photos should be mailed to Jaycees, P. O. Box 366, Lemon Grove. Vernal Wilkinson is in charge of the project.

## Annual Easter Party Pulls 3,000 Youngsters

More than 3,000 youngsters squealed with delight as the judges called out name after name as winners of one hundred prizes last week at the annual Easter Kids Party sponsored by local business and professional people. Party was held at the Grove Theatre.

Dampening the spirit of the affair only slightly were the grays which some parents emitted when two genuine guaranteed pups, and nine rabbits were distributed to "lucky winners."

The Party is the brainchild of E. A. "Molly" Moullesseaux, operator of a service station at Broadway and Massachusetts. This is the eighth time the party has been held. Last year the Lemon Grove Rotary Club sponsored it.

Helping "Molly" with the project were Joel Artavia, local builder, W. Earl Smart, attorney, Jack Durham, insurance man, and Chuck Ayars, bank official. Harold Secor, Piggly Wiggly manager with the help of local Girl Scouts, sacked the candy. Artavia and Bill Vandenberg handled the collections.

## Baptist Evangelistic Crusade Finale This Week

The First Baptist Church of Lemon Grove is planning for a big day in all their services Sunday. This will be the final day of the Evangelistic Crusade that has been conducted this week. The Sunday School members have a campaign on to remember to set their clocks ahead one hour and to be on time 405 strong at 9:30 a. m. Sunday morning. The evangelist, Dr. Paul Brooks Leath from Fresno, may be heard each evening this week at 7:15 and at both of the services Sunday. Pastor Rochelle reports that the meeting got off to a "good start Monday evening and that the attendance was excellent.

## Square Dance To Aid Little Leaguers

Lemon Grove Little League will kick off its first official baseball season with a box social and square dance Saturday night at Friendship Hall at 7:30 p.m.

Each lady will bring a box lunch for two, to be sold to the highest gentleman bidder. Funds raised during the evening will help pay for additional jerseys and caps. Sponsor's donations were intended to cover fourteen players, whereas many of the minor league teams have rosters with over twenty players.

## Mrs. Hall Recovering After Surgery

Mrs. Kenneth Hall, 3594 Sweetwater Road, has returned from Sharp Hospital where she underwent major surgery.

Kenny, who recently sold his service station at Sweetwater and Broadway, said that she is able to be up a little each day.

Hall was one of the pioneer service station operators in this area and built up a solid following of friends and patrons prior to selling out early this month. He is staying at the station until the end of this month. He said he hopes to relocate in Lemon Grove in another type of business. He said he will knuckle down toward doing this as soon as Marjorie has recovered.

## Mt. Miguel Steering Committee Has Changes

The Mt. Miguel High School Steering Committee Monday night agreed to a change of

colors of the boys' physical education uniforms. At the request of the students colors have been changed to white "T" shirt and white sweat shirt.

Larry Christiansen, band and orchestra teacher said that his committee had referred to the band students the question of colors for their uniforms.

Another change in schedule has been announced by ASB Elections Committee chairman Marvin Runge. Terms will begin in the fourth quarter and run four quarters. Previously, the group planned mid-semester elections.

A call for donations of books or money for books was made at the meeting. There is also a need for scholarships in amounts of \$75 or \$100. The Committee said. The Lemon Grove Rotary has become charter contributor of scholarships with two of them as a starter.

## Walter Jackson Joins Ward Lumber Company

Walter Jackson has been added to the office-sales staff of the Ward Lumber Co. at Massachusetts and Broadway it was announced this week by the firm's president, Fred Ward.

Jackson, a retired Lt. Commander, moved to Lemon Grove recently from Fallbrook and now lives at 4388 Dail Street.

Ward said that widening scope of business of the firm had made it possible to increase the office staff. Other additions will be announced soon, he said.

New Schools  
To Be Dedicated

The La Mesa-Spring Valley Board of Education is extending a special invitation to all persons in the area to attend the dedications of the Northmont and Bancroft Schools. The completion of these schools has placed all children on single session. Citizen faculty committees have been working for many weeks to make these dedications colorful, brief, and to the point. In both cases, following the ceremony, buildings will be open for your inspection.

The Northmont School dedication is Sunday, April 28, at 2:00 p.m. at the new school. The Bancroft School dedication is set for Sunday, May 5, at 2:00 p.m. at the school.

The Board says it is looking forward to seeing everyone.

Officers Named  
By Swim Club

The newly organized Carman Ranch Swimming Association of Carman Ranch Club, Inc. on Sweetwater Avenue, Spring Valley, is getting into full swing according to Stan Rose, Aquatics Director.

At the first meeting last week Steve Walsh of Lemon Grove was elected President. Other officers elected were: Ray Yale (Spring Valley) Vice-president; Terry Mathews (Lemon Grove) Corresponding Secretary; Robert Christy (Lemon Grove) Financial Secretary; Laurie Rose (Allied Gardens) Member at Large.

Representatives from a San Diego sporting goods firm were on hand to display jacket styles and material. The colors decided upon were Caren red, black and white. The teams own insignia will be drawn on by Jeff Willis.

The team is working hard to be ready for competition with other swimming teams in San Diego County. A very popular activity among the Carman swimmers is the "Water Ballet" class, taught by Priscilla Rose and Dorothy Christy. The girls hope to be ready to put on their show for the spaghetti dinner to be held at the Club Sunday, May 5, 1957.

☆ Arthur W. Radford, chairman, U.S. Joint Chiefs of Staff: "Japan's defense program is a modest one and should not be cut."

Two men were fixing a fence last Monday afternoon; J. F. Simons of 2744 Central Avenue, and E. S. Towler of 2818 Central. Suddenly Simons asked, "You burning rubbish?"

"No," replied Towler. It was then he looked toward his house and saw the black smoke. He realized the house was afire. Telling Mrs. Simons to call the fire department, he rushed to the house, turned on an outside faucet where a garden hose was attached, and was playing the water on the house when the Spring Valley Fire Department boys arrived.

But it was too late. The fire had gutted the entire seven room house. Towler said he didn't know how long the fire had been going before he noticed it. He had been the only one at home at the time.

Most of the furniture was badly damaged, including the refrigerator. Strange as it may seem, the deep freeze on the back porch didn't even have its ice melted. Some of the clothing in the closets appeared alright, but were saturated with smoke.

The Towler family had lived at the Central Avenue address about three years. They are ori-

ginally from Oklahoma.

Said Chief Don Clark, regarding the fire, "This is the second bad fire in Spring Valley within two weeks. The first one happened at 3726 Bancroft Drive on April 9.

"The picture of the house above could very well have been yours, if you have faulty wiring."

"The two Spring Valley homes had their fires because of faulty wiring."

"Each of us in Our Valley should make it our business to check all worn appliances, frayed extensions, lamp cords, plugs, and fuses."

"When a fuse blows something is wrong. Check and find the trouble before replacing the fuse. Always replace a blown fuse with the correct size. All lighting circuits should be 15 amp. Electric bath heaters 20 amp. Electric stoves and water heaters 30 amp."

"Remember... placing a penny behind a fuse is the next thing to arson. This should never be!"

## Number Three For Car Crashes

IT COMES IN THREES — Three cars crashing into three buildings in three weeks probably establishes some sort of record for this area.

The latest occurred last Friday, about 4:00 p.m.

The driveway of the Ted Arrington home at 3366 Central Avenue, Spring Valley, has quite a slope, and the Arringtons have been especially careful about setting the brakes on the car, when it's parked at the top.

But last Friday Ted drove up, got out of the car in a hurry, leaving the motor running. He walked into the garage.

It was then wife Alma saw the car moving backward. She screamed, but too late. By then the car was into Central Avenue, had turned and was heading south. Then it made a slight left turn and headed straight for the side of the R. L. Booth home at 3364 Central. Crash!! Right through the wall and into the living room.

Luckily no one was home at the time. There was very little furniture in the living room at the time as the Booths moved there only recently. Mrs. Booth is expecting a baby in about four weeks. It could have been tragic.

Mrs. Arrington said she and her husband didn't know how it all happened. Maybe the brakes weren't set enough.

Regarding the other two crashes: the first happened when an empty car, owned by Mrs. W. R. Miles of 3261 Kenora Drive crashed into the home of Mr. and Mrs. Harold Tucker of 3341 Kenora. The second crash came when Mrs. Alice Botisch of San Pedro crashed into the front window of the Lemon Grove Sporting Goods Store at 3331 Imperial Avenue, Lemon Grove. Carelessness? Maybe. The irony is... they all happened in blocks having the figure THREE!!

Tri-City Hospital  
Plans Cack Out

The Supervisors postponed indefinitely the election scheduled for April 30 on formation of the proposed Tri-Cities Hospital District.

The postponement was recommended by Deputy County Counsel Bertram McLees, because of pending litigation which seeks to "include out" certain properties of the proposed district.

Oceanside Hospital, operated by a private corporation is asking for exclusion of its property. The San Diego Gas and Electric Company is asking to have its Encino power plant, recently completed at a cost of \$7,000,000, excluded. (That will hit Carlsbad hard, make the smaller property owners dig deeper.)

Superior Court Judge Thomas has two cases before him, the Oceanside Hospital petition and the GasCo. A decision is expected to be handed down soon.

Meantime, some Federal money is involved in the discussion. Certain dates are set for the granting of these funds.

(Seems funny, but the protests were not made until the very last minute. Somebody was asleep at the switch. The GasCo. has some pretty good, we might say the tops in legal firms, as their mouthpiece.

## HID Area Gurgles Down 67% More H2O

Water consumption in H I D increased 67% last week. District Trustees were told Tuesday by General Manager Byron M. Miller.

Miller said the customers used 321 acre feet of water April 8 to 15, compared with 198 acre feet in the same period last year. He attributed the increase to warmer weather.

Thursday, April 18, we were blessed with a 0.30" shower, which freshened the air, washed dust off the leaves and helped generally but did not add to "the run-off."

**STOP THE DRIP** from leaky faucets with new washers. Don't waste water washing your car every day. Begin to get used to a dusty car. We will have at least a year of economy in water use.

Already officials are looking askance (sideways) at the headwaters of the Colorado, and wondering if the water from the upper end of the Colorado will be sufficient to supply the need.

Desert Magazine for April has an informative article, "Dam in Glen Canyon," by Neil Murbarger, with maps by Norton Allen, which explains the situation in detail and "written so you can understand it."

## Spring Valley Man Dies At 75

James Dorland, 75, 10350 Camp Road, Spring Valley, died Wednesday.

A retired railroad engineer, he had retired while living in Iowa and moved to Spring Valley seven years ago where he worked at carpentry and nutria raising as hobbies.

He is survived by his wife, Hazel; a son, Howard who has a dry cleaning business in Spring Valley; two daughters, Manola May and Mrs. Sarah Smith, all residents of the S.V. area.

Services were handled by Conrad Mortuary followed by interment in Mt. Hope Cemetery.
